FELISTER CHERUTO YATOR

BSc Software Engineering Student | Multimedia University of Kenya

Nairobi, Kenya . felisteryator00@gmail.com . 0746486402 . LinkedIn . GitHub

PROFESSIONAL SUMMARY

Dedicated Software Engineering student at Multimedia University of Kenya, developing solid programming and web development skills through practical experience with HTML, CSS, JavaScript, and Python. Currently deepening my knowledge in cloud computing, with a strong interest in building scalable, cloud-based solutions. Committed to continuous learning and eager to apply my technical foundation to real-world challenges as I grow into a capable software engineer.

EDUCATION

BSc Software Engineering | Multimedia University of Kenya / *2025 – 2029*

• Currently in Second Year, 1st Semester

• Relevant coursework: C Programming, Operating Systems, DSA, Database systems, Foundations of Software Engineering

Kenya Certificate of Secondary Education (KCSE) | Moi Forces Academy Lanet / *2024*

• Grade: A Minus

CURRENT LEARNING & TRAINING

Web Development | The Odin Project (Self-paced) / *2026 – Present*

• Building foundational skills in HTML , CSS, and JAVASCRIPT through project-based curriculum.

CERTIFICATIONS & AWARDS

• Trezor Academy Bitcoin Certification

TECHNICAL SKILLS

Programming Languages: C, Python

Web Development: HTML, CSS, JavaSript, React

Version Control: GitHub, Git

Knowledge Areas: Bitcoin and bitcoin technology

Tools: Claude, Vercel

PROJECTS

• Park254 – Web-based parking system that displays available parking slots, records vehicle entry/exit, calculates parking fees based on duration, and manages automated barrier access.

INTERESTS

Web and Software Development

Artificial Intelligence: LLMs, AI agents, Generative AI

Blockchain, Bitcoin

Community: tech event participation, peer learning
